

# The S.E.E.D. Certification®

## Schools Excelling in Emotional Development (S.E.E.D.) Certification®

is a research-backed program for schools focused on emotional development. It enhances teacher retention, improves quality, and boosts family engagement. We equip adults with tools for emotional intelligence and behavior management, reducing burnout.

### Designed for

family child care | child care centers | early childhood professionals | public school UPK

High quality workshops

Free expert coaching

Community of teachers

The S.E.E.D. Certification®

### From a S.E.E.D. Certified® teacher:

"I appreciate the forum the most. It is a wonderful platform to ask questions, and more importantly receive feedback from other teachers in the field but also some of the specialists in the field."

Our accessible platform is available both web-based and as an app.

91%

of S.E.E.D. Certified® teachers report that the resources, support and training make them more likely to stay in the field of early childhood education

97%

of teachers report that the S.E.E.D. Certification® has had a positive impact on the **quality of care** they are providing in the classroom.

91%

of teachers report that the S.E.E.D. Certification® has changed the way they experience challenging behaviors in the classroom so that they can **respond with intention**.
